

# Your next adventure awaits. Grow with us.

The **surveying and  
geomatics** company  
that's down-to-earth.

# Every day? Different.

# Every step? Progressing.

At GeoVerra, our work is dynamic. Adventurous. Challenging. No two days are the same, and that means you'll be engaged and fulfilled as you head toward a professional level that maybe you didn't realize was possible.

Our culture is all about supporting each other. At GeoVerra, no one has to go at it alone. Leading-edge technology, the best equipment available, and an encouraging environment mean you can go as far as you want to. Many of our current team members started as new grad surveying assistants and are now land surveyors or directors of a region. There's room to grow!

Our growth is based on real partnerships, and we credit it to the people and culture that make us who we are to set us apart. Your career at GeoVerra is unique to you, and that's how we like it. We value your sharp skills, creative mind, and technical brain. So get ready to show us what you got. We know we'll be impressed.

As a summer student, I had great support, traveled across provinces, worked with advanced surveying tech, and valued the strong safety emphasis in the field.

**Dylan, Survey Assistant Student**

GeoVerra has the most knowledgeable people, the highest standards, and best equipment.

**Blaine, Project Manager**

**From suits to boots.** (i.e. from office to field), we have a variety of dynamic work environments to inspire your career.

---

**Each day matters but so does the long view.** Recharging outside of the field - with family and friends - isn't recommended at GeoVerra, it's required.

---

We offer a **flexible workplace program** to suit your needs.

---

**The Partnership promise** is our commitment to work ethically, as a team, and safely to support our clients and our GeoVerra family.

---

**Advance in your career at GV!** Our Career Pathway Program is designed to train, support and develop Survey Assistant to become Junior Crew Chiefs.

---
